PROPOSER'S RECOMMENDATION (The recommendation must be handwritten and signed by your proposer.)

I have known Jonathan Fan for 24 year(s).

The applicant(s) would be suitable for the applied LRC Membership for the following reasons:

He has spent his adolescence, teenage years and early adulthood in LRC making friends and developed his love for sports. His openness and care for others owe much to the community spirits of the LRC environment. As a dedicated member of the LRC Bowling team, he is ready to become a full LRC member on his own merits.

SECONDER'S RECOMMENDATION (The recommendation must be handwritten and signed by your seconder.)

I have known Jonathan Fan Kar Kin for 24 year(s).

The applicant(s) would be suitable for the applied LRC Membership for the following reasons:

Jonathan is suitable for the ordinary membership for his love of sports, his gentlemanly demeanor and his team spirit when he's engaged in a team sport or being a member of a community he cherishes. As a member of the family he has grown up in the LRC where he has developed a love of bowling and tennis. He will be an asset other than on the sport side of the club given him being a fine young man sociable and able.
